The One & Only!

Burr Out

Burr Out removes burrs with ease and helps prevent damage to the hands in the process

- ▶ This versatile tool also makes a great mane and tail comb.
- ▶ With 17 tapered teeth that are slightly offset in two rows, Burr Out effectively detangles manes and tails every time.
- ▶ The two rows of teeth combine with the extra wide 4-3/4" wide design to cover more area quicker and more effectively than a conventional mane and tail comb.
- ▶ Ideal to use with your favorite detangling and shining product.
- ▶ Durably constructed with a stainless steel main body and teeth that will not rust or break under pressure.
- ▶ Designed with a comfortable, ergonomic handle.
