

Bee Natural Leathercare works closely with leather professionals to develop products that perform well and bring out the best in leather. In fact, many of Bee Natural's products are created from the suggestions of top saddlemakers, leather artists and tradespeople. Since 1977, Bee Natural Leathercare has been making products that are safe for both you and your leather. This approach to product development brings you a line of products that is unsurpassed in quality, performance and value.

Bee Natural #1 Saddle Oil

Ideal for saddlemakers, leather artists and craftspeople who demand a high performing treatment that enhances the natural beauty of leather while ensuring years of dependable service

- ▶ This special saddle oil has been the choice of professionals for years.
- ▶ Offers deep penetration without excessive darkening to give you superior color control.
- ▶ This oil can be applied to leather in successive coats without the worry of streaks, blotches or surface residue.
- ▶ Allows the natural beauty of the leather to come through without attracting dust or dirt.
- ▶ Ideal for saddles, tack and all top grain leather.

- 50-4364** 16 oz.
- 50-4363** Quart
- 50-4362** Gallon

Bee Natural #1 Saddle Oil with Fungicides

This superb saddle oil eliminates mold and mildew and was developed to meet the needs of professional saddlemakers

- ▶ This oil has been a trusted product for saddlemakers in Florida, Hawaii, Texas, Oregon, Washington and other areas where leather benefits from an anti-fungal treatment.
- ▶ Simply clean leather with Bee Natural Saddle Soap, let dry completely, and apply two coats of Bee Natural #1 Saddle Oil with Fungicides.
- ▶ Two coats are recommended to assure long-lasting protection.
- ▶ Ideal for saddles, tack and all top grain leather.

- 50-4374** 16 oz.
- 50-4373** Quart
- 50-4372** Gallon

Bee Natural Rudy's

This versatile product cleans, reconditions old leathers and finishes leather while also eliminating mold and mildew

- ▶ This breakthrough formulation is the final step in the Bee Natural Leathercare System for tack and saddles.
- ▶ Offers a lustrous finish.
- ▶ Goes into leather quickly without leaving a residue so it can be used with confidence on carvings and tooled leather.
- ▶ Does not tarnish silver.
- ▶ Ideal for roughout and all top grain leathers including exotic and reptile. Also makes a good moisturizer for rawhide.

- 50-2170** 4 oz.
- 50-2171** 16 oz.
- 50-2172** Quart
- 50-2173** Gallon

Satisfaction Guaranteed

We are deeply committed to the excellence of our work and the quality of our service and will go to great lengths to keep you a happy, satisfied customer. At Weaver, we're not satisfied unless you are. For this reason, Weaver provides both a Warranty and a Hassle Free Returns Policy.

Bee Natural Mink Oil Liquid

This liquid formula is a great choice for softening and waterproofing leather

- ▶ Penetrates, conditions and preserves leather while offering a deep, lasting waterproof finish.
- ▶ Ideal for all top grain leathers.

- 50-2093** 8 oz.
- 50-2094** 16 oz.
- 50-2095** Gallon

Bee Natural Leather Finish

Accentuates the richness of leather for a natural gloss that's show ring perfect

- ▶ Contains natural waxes that are good for leather and give top grain leather a depth of beauty.
- ▶ Perfect for use on top grain leathers where a gloss finish is desired.
- ▶ Ideal for saddles, tack, shoes, boots, garments, purses, handbags, upholstery, dashboards and more.

- 50-2140** 8 oz.
- 50-2141** Quart
- 50-2142** Gallon

Bee Natural Distressed Conditioner

A liquid conditioner that protects, preserves and waterproofs oil-tanned leather

- ▶ Penetrates and lubricates leather fibers to enhance the leather's natural durability for suppleness and longer life.
- ▶ Usually causes an insignificant color change.
- ▶ Ideal for use on distressed boots and footwear.

- 50-2190** 8 oz.

Bee Natural Saddle Soap

Offers deep cleaning that extends the life of leather

- ▶ A special formulation helps this saddle soap go deep into the leather to remove dirt and grime.
- ▶ Contains no waxes.
- ▶ For use on all top grain and vinyl.

- 50-2107** 8 oz.
- 50-2108** Gallon

Bee Natural Leather Amore

This formula cleans, conditions, retards soiling and resists water spotting for maximum performance

- ▶ When buffed to a luster, it keeps leather attractive and supple.
- ▶ It penetrates leather to get dirt and grime out by gently lifting smudges.
- ▶ Boosts the life of leather with a blend of special oils and conditioners.
- ▶ Ideal for finished leather, including reptile and exotic leathers. Will cause the color to change on natural or unfinished leather so be sure to treat the entire item to achieve the most uniform tone possible. Please note: Unfinished leathers come with no protective coating and stain easily and permanently.
- ▶ Not for use on suede, roughout, nubuck or split leather.

- 50-2195 4 oz.
- 50-2196 8 oz.
- 50-2197 16 oz.
- 50-2199 Gallon

Bee Natural Furniture Amore

Keep leather furniture looking its best with this effective cleaner and conditioner

- ▶ Gently lifts dirt and smudges as it boosts the life of leather by adding special oils and conditioners.
- ▶ Leaves furniture feeling clean and natural to the touch.
- ▶ Ideal for finished leather. Be sure to spot test on natural or unfinished leather before using as it may slightly darken the leather.
- ▶ Color safe formula can also be used on vinyl.

- 50-2194 8 oz.

Bee Natural Auto Amore

A luxurious leather cleaner and conditioner that keeps automobile leather looking and feeling its best

- ▶ Quality formula goes deep into the leather to remove dirt and soil that can damage leather fibers.
- ▶ The leather's clean fibers are then rejuvenated with this product's effective conditioners.
- ▶ Auto Amore is safe for use on antique, classic and special interest automobiles.
- ▶ Also great for cleaning and conditioning vinyl.

- 50-2192 8 oz.

 Look for the Weaver symbol that indicates the quality products we recommend and use in our own manufacturing facility.

Bee Natural Chaps Pro Cleaner

This advanced formula cleans most all leathers including suede, nubuck, top grain, exotic, elk hide, buckskin, aniline and unfinished

- ▶ We recommend you follow with Chaps Pro Leather Protector.
- ▶ Please note: This product may enhance natural flaws and dye variations. Be sure to test in an inconspicuous place and let dry to check for any color change.

- 50-2086 4 oz.
- 50-2087 16 oz.

Bee Natural Chaps Pro Protector

Featuring an advanced formula, this product makes most leathers water and stain resistant

- ▶ Great for use on suede, nubuck, top grain, exotic, elk hide, buckskin, aniline and unfinished leather.
- ▶ Please note: This product may darken some aniline leathers and enhance natural flaws and dye variations. Please be sure to test in an inconspicuous place and let dry to check for any color change.

- 50-2088 4 oz.
- 50-2089 16 oz.

Bee Natural RTC Sheridan Resist and Finish

Offers superior resistance, adhesion and a top gloss finish for maximum contrast when antiquing or staining leather

- ▶ We use this product in our facility on leather coasters. In our 36 years of experience, we've never found a product that seals and protects leather as well as RTC.
- ▶ This easy-to-use finish is ideal for all top grain leathers.
- ▶ Does not peel or crack.
- ▶ Not for use on suede or nubuck.

- 50-1966 4 oz.
- 50-1967 16 oz.
- 50-1968 Quart
- 50-1969 Gallon

Bee Natural Pro-Carv Casing Concentrate

Eliminates the need to case leather

- ▶ This unique formula speeds water penetration, softens hard-to-carve leather and makes skirting, strap and tooling leather easier to carve.
- ▶ A superb shoe stretch when used full strength.
- ▶ Helps keep your carving knife sharp.
- ▶ Prevents mold and mildew and helps keep leather clean.
- ▶ Will not darken leather.
- ▶ Neutralizes minerals in water to avoid stains.
- ▶ One part Pro-Carv to ten parts water is recommended.

▶ Please specify size when ordering.

- 50-2100 8 oz.
- 50-2100 Quart

Bee Natural Rain & Snow

Offers excellent waterproofing for leather footwear

- ▶ Protects leather against harsh, inclement weather conditions
- ▶ Containing natural oils and waxes, this special formula supports leather with conditioning and waterproofing agents that protect and preserve every fiber.
- ▶ Safe for use on footwear that uses micro fiber membrane technology.
- ▶ Gore-Tex® safe.
- ▶ May darken light colored leather.

- 50-1959 8 oz.

 Please note: all products featuring this symbol cannot be shipped when temperature is below freezing. Please ask your customer service specialist for details.

Bee Natural Suede Concentrate Protector

Concentrated formula makes suede leathers water and stain resistant

- ▶ Perfect for use on suede, nubuck and roughout leathers.
- ▶ This protector is an ideal choice for use on furniture, garments and moccasins.
- ▶ Please note: This product may darken some aniline leathers and enhance natural flaws and dye variations.

- 50-2091 8 oz.
