Beautiful Quality

Deerskin Whole Hides

I promise this is the most beautiful deerskin you'll find anywhere. We use it in our shop for soft, padded liners in both tack and pet products. These genuine deerskin whole hides are approximately 5-8 square feet and have one or more small holes from hunter's bullets or arrows. This is a great choice for moccasins, purses and all types of small leather goods and craft items. As always, it is in-stock and ready to ship. TR selection is priced per square foot.
