Alum Tanned Lace Leather

Now in hard-to-find double back cut, this leather offers virtually no waste lowering your cost per lace over the sides we previously had available. In a beautiful chestnut or rust color, this lace leather is designed for maximum strength and minimal stretch. Ounce for ounce, this is probably the strongest leather made and is perfect where a light cut and strength are essential. The alum tanned yellow center is standard in the industry. TR selection is sold per square foot.
