

Sole Leather Bends

Veg tanned from extra heavy steer hides, these bends are very firm, thick and strong. They are produced for a variety of products including shoe soles, weight lifting belts and horse shoe pads. These hard-to-find bends are in-stock, ready for immediate shipment and priced right. TR selection is sold per pound and will include some brands, probably 50% clean and 50% branded.

any combination of leather in any quantity to get your best quantity pricing

Features

- ▶ Cut from the very best portion of the hide.
- ▶ The 08-900 sole bends are tanned for extra firmness and durability. The selection will be approximately 50% clean and 50% branded. This ratio will vary from shipment to shipment. The temper will be similar to what we have previously sold.
- ▶ The 08-905 sole bends are tanned to be semi-flexible. They are ideal for weight lifting belts or any projects where a softer temper is needed. The selection will be approximately 50% clean and 50% branded. This ratio will vary from shipment to shipment.
- ▶ Both may be oiled to darken.

Choose from these Sole Bends:
08-900SB Natural Sole Bends
