Cutting

Professional quality custom cut straps will help improve your productivity and save you time! Our craftspeople can cut your leather quickly and at a great price!

- ▶ Purchase leather from pages 23-57 of this Supply Catalog and we'll cut it into any width of straps you'd like from 1/8" - 12". Please note: 1/8", 3/16" and 3/8" widths have a higher cost to cover additional labor.
- ▶ If you want your hide cut into more than one width of straps, you will be charged for every width.
- ▶ A blocking charge will be added if you need the straps blocked off at a certain length. (i.e. if you want all straps to be 40" long).
- ▶ Please specify width of straps and your choice of leather when ordering.
- ▶ Priced per shoulder, split, single bend, side, back, double bend or whole hide.
- ▶ Once leather is cut, it is non-returnable.
