

Weaver at Your Service!

With 35 years of manufacturing experience, our skilled craftspeople give you professional results every time!

Hot Knife Cutting

Get professional results every time with custom cut webbing — a real timesaver!

- ▶ Purchase any rolls of nylon or poly webbing from pages 64-68 and we'll cut them into any length you want.
- ▶ Each uniform piece of nylon is also heat sealed as it is cut.
- ▶ **Please specify the length and your choice of webbing when ordering.**
- ▶ Priced per piece.

NCUTTING

Please note: There is a \$5.00 minimum for our Hot Knife Cutting Service.

We're Your #1 Webbing Source

Starting with top quality webbing is the key to a successful end product. With a full selection of nylon and poly webbing in an array of beautiful colors, we're sure to have just what you need. Check out our full selection of webbing on pages 64-68.

Hot Punching

We can cut clean holes in a variety of diameters to meet your needs

- ▶ Purchase any rolls of nylon or poly webbing from pages 64-68, have them cut into straps (see details at left), and we can cut 3/32" holes spaced 3/4" apart, 1/8" holes spaced 1" apart, 3/16" holes spaced 1" apart, and 1/4" holes spaced 1" or 2" apart.
- ▶ Each hole is heat sealed to help prevent fraying.
- ▶ **Please specify diameter of holes, how far you'd like them spaced apart and your choice of webbing when ordering.**
- ▶ Priced per hour plus hot knife cutting charge.

NPUNCH

Attention: All services that are priced per hour have a minimum charge of \$14.00. All service pricing is applicable only when the leather, webbing or felt is purchased from Weaver Leather. If you send us your own materials, the prices for the services will double. **Service orders that are filled to your specifications are not eligible for return.** Please make your selection carefully and provide item numbers to ensure the hide we cut is the right hide for you. **Once leather is cut, it is non-returnable.**
