CORDURA

Recommended Care: Cordura® should be washed with mild detergent in cold water (80°F) by hand or in a washer on the gentle cycle. Rinse in cold water (80°F) and tumble dry on the delicate cycle (140°F) of a dryer. **Do not** bleach, iron, fold or store while damp or wet, expose to high temperatures or allow to come into contact with alcohol-based products. Apply spray-on water repellent as needed.
